School Me Dirty: A College Romance

Synopsis

I'm hard on my students. All semester, Melody has been sitting quietly in the back of my class - a straight-A student with a perfect 4.0 GPA. A nice, polite, well-behaved, good girl. The kind of good girl I want to see on her knees in front of me, those big wide eyes begging me. Touching her could get me fired and barred from teaching ever again. But when she asks me to be her thesis advisor, I say yes, and soon sweet, almost-innocent Melody is in my office, her ripe curves and pouty lips practically begging me to take her. Dominate her. Claim her. Make this good girl my dirty girl. It's just an innocent crush - I know it's a total cliché to have a crush on your professor, but I can't help it - he's ruggedly handsome, incredibly smart, totally in control - and even from the back row I can see the monster in his pants. I know these are dangerous games I'm playing with him. I know if we get caught, the consequences would be total disaster - but every time he growls my name, I practically lose my mind. Take me, professor. Make me yours. School Me Dirty is a very dirty standalone romance about a college sophomore and her naughty professor - but it's complete with a super-sweet Happily Ever After ending and, of course, no cheating!

Parker Gray has done it again! I was a bit skeptical if the author could live up to "Boss Me Dirty" (her amazing first novel) because all too often the first novels are amazing but subsequently come to short (maybe the bar is already set to high?). Parker Gray, however, has had a lot of trouble with his second novel "School Me Dirty". This must be the hottest (HEA, Insta-Desire / Love) novel I've read to date (and I've read a lot)! Parker Gray's talent is incredible; The story flows smoothly, writing style extremely professional (with a few grammatical errors) and the letters are simply engaging. "School Me Dirty" is sweet, intriguing, hot (I mean hot?) With a fantastic epilogue and sweet HEA. I was easily immersed in history and literally I could not put it away. I highly recommend both the author's works: "School Me Dirty" and "Boss Me Dirty". Prediction ... Parker Gray will quickly rise to the top of the booklists. This book is about a teacher / student relationship and it is hot and steamy in addition to words. Despite it being a little short, felt like a full book with the amount of written details and the pace of history. Nothing in it felt rushed and the whole story felt really good and entertaining. I was taken care of by Melody's personality and it's not in a bad way. I really liked her consistency. She goes after what she wants and is not shy about it. Professor Sharpe is hot and so manly that I can only love him. The book is filled with hot scenes with desire. Written in a fast-paced, naughty and intensely exciting style. I liked the touch of drama that preceded the most romantic part of history. Recommended for people over 18 years old (due to erotic scenes).

Melody a sophomore in college wants to major in the classics. She is a quiet straight A student. At the end of the semester Melody asks Professor Ethan to be her thesis advisor unbeknown to each other they have the hots for one another. Ethan tries to be the ethical professor but not very successfully. A relationship begins but can it work out or are there too many obstacles? You should definitely read it and find out

I voluntarily reviewed an advanced readers copy of this book for the author. This has to be one of

the hottest books I have read lately. I couldn't put it down once I started reading. The story was magnificent and the characters wonderful. I just couldn't get enough. This is an absolute must read.

Wow I really enjoyed this book, what Ethan did for melody to show her how he felt was great. Can't wait to see what's next from this author.

Ethan Sharpe and his kitten were the perfect combo of sweet and extra naughty. Their romance was off the charts ã Æ Æ"Æ¥.

This book was scorching hot, yet it had a touch of sweetness, too. The perfect package! I definitely recommend it if you want a quick, steamy read!

Super hot story! Great erotica with lots of amazing sex. Also a cute romantic story tied in--would recommend getting it.
