Whoâ™s there? Cash. Cash who? No thanks. I prefer peanuts. Â Tongue Twister! Say this fast three times: See me sneak in my squeaky, reeking sneakers. Â Q: What do you call a polar bear

wearing earmuffs? A: Anything you want. He can't hear you! Q: Why do magicians do so well in school? A: They're good at trick questions. Knock, knock. Who's there? Ben. Ben who? Ben knocking on the door all afternoon Tongue Twister! Say this fast three times: Which wristwatch is a Swiss wristwatch? Q: Why did the robot eat a lightbulb? A: Because he was in need of a light snack. Knock, knock. Who's there? Who. Who who? Is there an owl in there?

Gave this to my 7-going-on-8 year old grandson and he and his friends have dog-eared it.

Non-reading kids are reading it just for fun! BEWARE: If you're in a car with a young person who has this book, be prepared to have to participate in the jokes, riddles and tongue-twisters. :)

Bought for my five year old granddaughter, who loves telling jokes, this is a huge success! She loves telling all of us these jokes and laughs and laughs. A super success! I think any young child would love this book!

My grandson, the jokester, loved this. He just turned six and is a strong reader. I like the animal facts that go with the photos. He might as well learn something while he is having fun.

I can't completely agree, but it has tons of words that are just out of reach for her. So it is great to see her try to read these jokes to us and learn at the same time.

Good pictures, as with most of Nat Geo's books. Jokes were pretty good, I was entertained as an adult and the 8 year old I got the book for like them as well... There are a lot of knock knock jokes, some of them seemed a little repetitive but overall a good book for the price. It is good for boys and girls and a better gift than most of the junk out there.

Adorable, winning book full of great photos, information about animals in photos AND funny, easy jokes for the younger set. Will be great for my 7-year old grandson!

This kept a 2nd and 3rd grader entertained for hours, taking turns reading jokes to each other and to adults. A good mix of corny and clever jokes, all were age appropriate.

I purchased this book for my daughter. She likes to read joke books and then share those jokes with other family members. She has enjoyed reading this book and sharing the jokes with other people. It

was a birthday gift that she has really enjoyed.
