Would You Rather Be A Princess Or A Dragon?

Synopsis

Some little ones want to be princesses; others want to be dragons. The message of this book is that you can actually be both! There are lots of things you can be: a little wild, a little sweet. A little polite, a little troublesome. A little dainty, a little dragony. There's nothing stopping you from being just what you want to be . . . so which would you rather be: a princess or a dragon? Here's just the book to help you sort through that difficult question. You might be surprised at what you decide by its end.

Book Information

Hardcover: 32 pages

Publisher: Roaring Brook Press (September 27, 2016)

Grade Level: Preschool - 2

Customer Reviews

PreS-K "If readers are ever faced with the choice of being a princess or a dragon, Saltzberg's succinct rhyming verse will help them decide the path to select. Princesses enjoy princess things, like the color pink and bubble baths. Dragons, on the other hand, enjoy green and being dirty. Princesses are polite and dragons misbehave. The stereotypes that are illustrated with simple line drawings are made interesting by textures. The green-scaled dragon and pink-swirled princess pop against the stark white background. Children are sure to be pleased with the twist at the end, when the princess needs a break and wants to be a bit wild, "because inside every princess is a little dragon child." And inside every dragon is a little princess waiting to get out. Quite literally, a princess is trying to get out (of the dragon's mouth). VERDICT With the bold illustrations, rhyming short text, and popular subject matter, this book is sure to delight a storytime crowd." Mindy Hiatt, Salt Lake County Library Services

"Fun to read and visually appealing." •Kirkus Reviews

Another book to add in our Barney Saltzberg collection. My daughter has a tomboy side and she loves dinosaurs and dragons. This book it's perfect for her..she feels like both: "princess and dragon".

Cute book, our daughter (who loves dragons) loves this book. She definitely would rather be a dragon than a princess.. not a lot of books out there that fits that for a little girl.

Adorable book. Cute pictures and fun story. I originally purchased this book for our friend's daughter. I thought the book was so cute that I purchased another for our daughter.

Love this book for my tom girl granddaughter!

This book is a MUST read for anyone who wants to break free from labels and be your wonderful self! A book that you start reading thinking to yourself "What do I want to be?" ends on a note that helps you find you can be more than JUST a princess or JUST a dragon. Also, love the important message of breaking down gender stereotypes and encouraging readers to explore the wide range of books that should not be labeled as a girl book or a boy book. This book ignites readers to explore books for the love of reading and to maybe pick up a book you in the past deemed as not catered to your child. A good story is a good story :)
