A+

The selections are inspiring and we have started watching each movie again as a result of hearing the songs on the clarinet. My 12 year old first year clarinet player says the songs are within his level and challenging, but not so hard he wants to give up trying. Good work, arrangers.

Was a gift for my Granddaughter's 13th birthday. She plays clarinet. She was so happy and surprised. She LOVES it.

Great for additional practice

My daughter was thrilled to receive this book of music from some of her very favorite movies. She was also delighted to have the CD. I look forward to hearing the music soon.

Playing the music in this book brings me back to the first time I opened these books and started my adventure to the magical world of Harry Potter!

Granddaughter loved it.

Excellent book
