## Customer Reviews

Being new to the state of Delaware, this map has been a gas saver many, many times and that's only in a couple of months. New Castle County is the most densely populated county in the state, with lots of roads and highways. Locals call the roads by their street names, like Kirkwood Highway instead of 72. If I ask for directions, locals often don't even know the highway/route number so it gets confusing. Unfortunately, most of the road signs are by number, so getting directions from locals often won't help. The great thing about this map book is that it labels roads/routes/highways by number too so this book is rather handy if/when I can't find my way. Having my ADC map book in the back seat is my little security blanket in a place that's new to me.
