Thomas Kinkade, the celebrated Painter of Light, is the most widely collected artist in the world. His tranquil, light-infused paintings affirm the basic values of family, home, faith in God, and the luminous beauty of nature. www.thomaskinkade.com

We have been purchasing this calendar for years, and it is a nice complement for the 7 Kinkade regular paintings and about 20 small prints. We give one to our son's family every year. The listed dimensions seem to change slightly each year, but so far it always fits the frame we purchased for the first one. If you like Kinkade's art work, you will likely enjoy his calendars.

I flipped through this calendar and, as always, was enchanted by the lovely pictures painted by a gifted artist. I will enjoy this calendar next year, just as I've enjoyed the 2013 Thomas Kinkade calendar that I ordered from last year.

I really love this calendar perfect size he's just such a wonderful painter it so enjoyable every day to wake up to his gorgeous paintings. But I was surprised on the April calendar a big huge Christian

cross of course April is Easter and it's a religious holiday but I felt that it was two in your face . Many good people are not Christians?The Christian fundamentals conservative are a little scary for me.I just hope they tone it down for next year respectively.Thats why I am only giving it three stars otherwise it would be a five.

This calender is absolutely gorgeous! There is plenty of room in each day to write an important appointment or reminder, plus room on the bottom and top for a post it if you are like me and need an extra reminder or a doctor card so you can remember the appointment time and date! I love this calender. This is my 2nd year having a Thomas Kinkade calender and I am so happy to have been able to purchase this one and for a great price!!'ve already given one away as a gift and the receiver adores it! Each picture is so beautiful and having this on a wall does just brighten up the room. It is like having a great piece of art on your wall and the best part about it is that every month you get to view a new photo! 12 months of beautiful pictures and the Scriptures are so wonderful to read. Makes my day to read the Scripture, look at the picture & have that special reminder of how beautiful and wonderful life's simple pleasures can be! Art is one of life's simple pleasures.

I love his calendar's. Big spaces for each day to write down appointments or anything else you want to remember. Scripture verses, blank spaces for notes. Pages for addresses, birthdays, phone numbers, or emergency numbers. Pockets on the back of each cover to store notes. I have bought one of these every year for the past 8 years at least. I would hate to be without one. I use it every day.

I buy this calendar every year for my mom's holiday gift. She adores Thomas Kinkade, her kitchen mimic his houses an his paintings and her wall border is also a Thomas Kinkade so why not a matching calendar This calendar is beautiful, great colors to, fantastic artwork and enough space in the write in area.

I am sure I would have absolutely loved it. I just love Thomas Kindkade's work so much. Unfortunately some bastard stole the parcel and I will never get to see the beautiful pictures. The cost of postage for overseas parcels is so high now that I didn't want to spend the money the first time around but did because it was Thomas Kinkade but cannot justify spending that money again.

This is a beautiful calendar, and sized to fit the hanging wooden frame that I bought many years

ago. There were several pictures I hadn't seen before. I buy this calendar every year, and I hope they continue to make new ones, even though Kinkade is now deceased.
