Satoshi Kon was an anime director and mangaka from Kushiro, Hokkaido, Japan. He was well-known for his work on *Perfect Blue*, *Millennium Actress*, *Tokyo Godfathers*, and *Paprika*. Sadly, Kon passed away on August 24, 2010, after losing his battle with pancreatic cancer, he is remembered by all who loved his works

I have been a fan of Satoshi Kon since *Perfect Blue* came out in America around 15 years ago. It really is a must have for any fan of good anime. I just wish it had more content. Being a 100 plus pages just was not enough! It is a shame that we will no longer see more works of his. Well I enjoyed this artbook.

Beautiful book. My only complaint is that its 95% fully rendered illustrations, and I'd love to see more

of his rough work as well.

It's a great compilation of Kon's work! Too bad there isn't more material from Paranoia Agent, one of my favorite works by him.

The book has no conceptual art. It is a great collection of illustrated pieces by Satoshi Kon. But the book contains no rough sketches, storyboard or any pre-development work.

Beautiful book!

I love this Satoshi's work a lot and this book is really good

Finally we get the Art of Satoshi Kon released by Dark horse. The Book is nice looking, hardcover and nice crisp images on thick paper. The artwork itself is amazing of course by Kon. I collect everything that is Satosh Kon; mangas, books, movies and cds.

As expected to get
