Average Customer Review: 4.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #4,134,979 in Books (See Top 100 in Books) #73 in [Arts & Photography > Other Media > Public Art](#)

Customer Reviews

Enjoyed reading the book. I was surprised at the number of thoughts in the artists head. I am inclined to see more In any art work now as the world behind the art is more understandable. Appreciation of the art work in the book is better when seen with the artists thoughts.

Beautiful photos and inspiring text
