Long-Quote Crostics, Volume 1

Synopsis

Long-quote crostics have quotes that are longer than those of traditional crostic puzzles. This does not make solving the crostics any more difficult. It just makes it more fun. Quotes in this book's puzzles all have at least 300 letters, with many approaching 400 and beyond. (Traditional crostic quotes have less than 200 letters.) This opens the door for a fresh variety of long, multi-word answers-colloquial phrases, figures of speech, names, movie titles, etc.-not often seen in more traditional crostics. And allowing for 300+ letters in the quotes means that the quotes themselves can have a real narrative arc leading to a satisfying conclusion

Customer Reviews

Good double acrostic puzzles. Not like the classic Middleton Series but worth doing. I am not sure the extra length is better. They do take longer, but then there are more clues early on.

Bought copies for myself and my sister-- both enjoying it immensely! Awaiting volume two!

sufficiently challenging

Much better and more absorbing acrostic puzzles than any other acrostic book I have worked on in the last few years. Here's hoping there will be a volume 2.

Challenging acrostics.

The longer potential answers provide for a more challenging environment. They still are very predictable however.

very good, just challenging enough.

Terrific and challenging! The long quotes gave hours of enjoyment.
