Am I Small? Är Jag Liten?: Children's Picture Book English-Swedish (Bilingual Edition)

Synopsis

Bilingual Edition English-Swedish • - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... • "Är jag liten?" • "Tamia är inte helt säker och frågar olika djur, som hon mår efter längs sin resa. Till slut hittar hon det överaskande svaret..." Reviews "immensely enjoyable" • "ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." • "Kirkus Reviews "a fantastic book that has enchanted me" • "Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • "Customer Review "Written in a very simple way but with a profound message for both adults and kids." • "Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" • "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves whatever their size." • "ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

I've set myself two language-related tasks for this year. One is to brush up on my long-ignored French, and the other is to learn a new language (Swedish). Once you begin to get a handle on some basics, one of the best ways to learn is to read children's books in your chosen language. They're not just designed to entertain, not at all. Through the use of pictures and repetition of basic words and phrases, children's books teach spelling, grammar and idiomatic usage. They will guide the reader gently through new vocabulary by putting the words into simple context."Am I Small?" is a delightful book written both in Swedish and English, so there's never any question about whether you've gotten the right idea or not. But the repetition of Tamia's question, "Am I small?" and the various answers she receives go a long way to teaching basic language concepts. And in the end, Tamia's conclusion is exactly right, and a valuable lessonThe illustrations are just charming, and make this book even more memorable. If you plan on learning Swedish, give this book a place on your e-reader. If you know a child who is learning either English or Swedish -- the dual language text will work both ways -- this is a wonderful gift.

When I was studying Swedish for fun, I wanted a children's book to read to see how much I learned to figure I haven't learned enough to even be able to read a very simple children's book, what a fail

Excellent product, accurate product description, fast service, clear and helpful communication.
Great product and well cushioned

Book I should fantastic my 2 year old loves it!!!

I'm a beginner in Swedish and this book as well as many others has been very useful. It's not just for children. Works well for beginners

Love the graphics and such a cute story, only wish it was hardcover!

This book always makes me feel better when I am feeling too small in a big world. Its a cute story!

So cute! Love it
