Customer Reviews

inspiring

love it

My Soul was enriched, as I joined the Native Americans in Walking The Red Road. This book is an

inspiration. It could be read as a daily devotional, or it could be read from cover to cover, as an enrichment encounter of beauty. I will have the book close beside me, as a continual guide, for a peaceful Walk in life.

wasn't exactly what I expected..but it was ok

This book is something that anyone who values their native american heritage or just relates better to the native way of life needs to read. It really gives light to how we should all be, gives the morals and ideals that need to be held dear, and really is inspiring to do your best in everything and be the best person you can be. It also holds some awesome little tidbits of information that a lot of people can't find hardly anywhere.

I expected more philosophical sentences relating to Native American attitudes and plain wisdom, as expressed in historical references, and hopefully in recent remarks. Sadly, there is very little of this. Some pages are essentially blank. I expected this to be more like other "365 Days" types of books devoted to daily meditations. It wasn't.

Regardless of the tripe some reviewers have written (native & non-native) this littlebook has some very good lessons for people of all colors. I agree that it is brief & maybe lacks enough wording to call it a "book", but it serves its purpose well. You get many quotes from famous Native Americans as well brief spiritual lessons that you can meditate on. This book was not meant to be a "how to" book. Instead a book with short offerings for you to decide, what to do with them. YES, I am a person of Native American heritage and not some Wanna Be, Instant Indian. So I know and really appreciate where the author is coming from. And if there are any clever critics out there, hit me up when you write your own masterpiece book on Native American Spirituality. Let's see if any of you can do better! AHO!

Absolutely fabulous and inspirational daily thoughts. Wonderful for anyone - I use it daily and I'm not Native American.
