Customer Reviews

Fyi - the Moonlight Sonata is by Beethoven and so not in this collection.

I wear Size M for most of clothes and my waist is 31", hip circumference is 41". Since I saw many reviews mention it's smaller than expected. I order Tag Size XXL /US L. It's perfect for me. I had 3 Fajas Ann Chery. They are great, but expensive. Maidenform Sleek Smoothers WYOB Bodybriefer Shapewear are very comfortable and cheap, but holds nothing. So far, I like this product the most.

I guess it's my mistake for not being more cautious after seeing that DOES NOT list the table of contents for this product. That is mistake number 1, for me AND . Secondly, buyers should know that this book does not have "moonlight sonata" in it, which doesn't make sense given the breadth of the book and its focus on piano works and sonatas.
