Mail Order Bride May: A Sweet Western Historical Romance (Montana Mail Order Brides Series Book 0)

Synopsis

May's story is the prequel to the Montana Mail Order Brides Series. May trims hats in a dress shop in Albany, New York and is very close with her sister Jane. Jane is in a serious relationship and about to start a new life. After a failed attempt at socializing at the church dance, May returns home discouraged and feeling alone. May is surprised and confused to get a letter from a man in Montana, since she didn't place an advertisement in the Matrimonial Times. Their letters grow in importance to her, especially because Jane marries Walter (the brother of Leah from Book 1 in the series). Can May find joy moving out west to start a new life with James? What's involved in the challenges for a young woman locating out west so far away from her family? Does it make sense for her to risk her familiar routines for something completely unknown? This is a stand-alone story without a cliffhanger and a clean wholesome romance. Note that this is the prequel to the Montana Mail Order Brides Series which begins with Mail Order Bride Leah. The books can be read in any order and they are available free for members of Kindle Unlimited. Each novella can be read by itself independently.

Customer Reviews

This is an awesome story and the author is Christian which adds to my enjoyment of her stories. It is

important to me to have access to these heartwarming, clean, and inspirational stories.

I really enjoyed this book and the other books in the series. This book was my favorite. I hope the author writes more mail order bride books!

This is the first book by Rose Jenster that I've read. I will read her next book Leah and see if it's any better than this one. This is not your typical mail order bride story. The difference from other mail order bride stories, which I love, is there's no poverty, no mean family, bride not homeless, and everyone loves everyone. It's well written and a sweet story. I enjoyed reading.

But not a "I can't put this book down" kind of story. I enjoyed it. Nice, comfortable, light whimsical reading. What can you say? It's a mail order bride story!

This series is about sweet historical mail order brides. I enjoyed reading them. All the bride and some grooms were passionate about their books. I would recommend these to anyone who love mail order bride books and books in general.

Really great book, I couldn't put it down. All of Rose Jenster books are wonderful, can't wait for the next book!!!
