## Customer Reviews

This handsome book includes 15 selections from the 1997 version of Jekyll & Hyde, the gothic-horror musical by Frank Wildhorn and Leslie Bricusse. Represented are such favorites as the anthem "This Is the Moment" and the female duet of love and longing, "In His Eyes." The book also has full-color photos, notes by Wildhorn and Bricusse, a synopsis, and biographies of the composer and lyricist. Now all you need is Linda Eder and Robert Cuccioli alongside your piano. --David Horiuchi

Love the music from this show!. I bought this copy because one of my students obviously loved my previous copy and still has it. Great for teaching, the music for this show is comprised of lyrical songs that appeal to students as well as to me.

this purchase was awesome. one of the best things about buying a used book is that it stays open ... like, the pages stay turned. the second best thing is the notations of the previous owner, my copy of jekyll and hyde has character!

Did not have some of the songs I was hoping for such as The First Transformation and others. Also

didn't have much of the split parts of some songs. Like in Murder, Murder not all of the harmony notes were in it and was missing some of the lyrics. Not the melody but some of the background. I mean you could probably only fit so much into a book but still. Overall though I loved it and thought it was great. Came in great condition.

I love this musical, but this collection is missing one of my favorite songs: The World Has Gone Insane. Good for a Essential collection, but somewhat lacking for avid fans.

Can't nicely packaged and has the songs I want to learn!

I use this in my vocal studio. The printed vocal selections book is quite nice with photos of the Broadway production, and the music notesetting is very good and easy to read.

Really great book. Chords aren't as difficult as I'd expected, but still sound amazing. Wishing I had bought this earlier.

I was looking for one song and found this book with all the songs from Jekyll and Hyde The Musical...Happy as can be. I have never seen Jekyll and Hyde but there is some great music. I'm VERY HAPPY I bought this. I'm learning to play some beautiful songs! Thanks
