arrived quickly and as expected.

Although I haven't sung all the songs yet, those I have sung are great and the others look good as well.

Wonderful Kindle way. I already have this book on paper way.

This has the lower quality binding. The lyrics are significantly different to the original music. The keys of the songs are also sometimes different to the earlier versions.

My niece was very happy with this gift..

Good arrangements.

Daughters favorite musical

Quality edition.
