The Bible (student Book): The Living Word Of God (Living In Christ)

Synopsis

****The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found this catechetical text, copyright 2011, to be in conformity with the Catechism of the Catholic Church.**"I have to admit that I was hesitant about a complete change of curriculum to meet the bishops' framework, but the work Saint Mary's Press has done makes me confident that I can teach the new curriculum with enthusiasm and academic rigor. Thank you for the offerings of these student texts and teacher guides."-Mary Hansel Parlin, Cotter High School religion teacher

The Bible: The Living Word of God provides an introduction to the Sacred Scriptures and to the unfolding of salvation history, with a particular focus on Jesus Christ as the fulfillment of salvation history. Revelation, both Divine and natural, is explored, as are inspiration, interpretation, and exegesis. The course guides the students in coming to know the people of salvation history, including the early leaders of Israel; the judges, kings, and the prophets; and the history of salvation as revealed in the New Testament. The students also learn about the role of the Scriptures in the life of faith for the individual as well as for the life of the Church
