Rashid And The Missing Body

Synopsis

This series for ages 7 and up relates a heroic account of the adventurous experiences of a young schoolboy named Rashid and his friends living in London. The stories captivate the essence of school and community life and the brave, courageous spirit of the young. It also brings into play life-enriching Islamic values of standing up for the truth, a strong sense of duty and bond of sincere friendship. The stories throw a light on Muslim family life, their morals, manners and outlook on life. This series, designed for the young, caters fully to their appetite for the strange, evokes their curiosity and ennoble their emotions. In *Rashid and the Missing Body*: After Rashid and his school friends Gary and Chris discover a dead body, it suddenly goes missing. When no one believes them, the boys decide to solve the mystery themselves in a story of courage, friendship, and standing up for justice. Next in the series: *Rashid and the Haupmann Diamond*!

Customer Reviews

This was a really nice book for a young Muslim! Interesting and believable. The added benefit of a youth reading about another youth stopping to pray etc was nice.
