FORTUNE, FOLLY, AND A THOUSAND FATES: A Disastrously Impulsive Honeymoon In Africa

Synopsis

Fresh off their vows of lifelong commitment and fidelity, Graham and Trish Wales threw themselves into the unknown venture of what was destined to be a classical African overland safari. Almost immediately, things began to go wrong. Without any prior organization, knowledge, research, or planning (and being guided only by a vague and somewhat arbitrary goal and end destination), the chaos set in before even leaving their arrival city of Cape Town, South Africa. It only got worse from there, as they made their way through a nearly infinite series of unexpected and only sometimes controllable calamities brought on by their hasty choice of car, Mother Nature, police, and their own poor decisions. Sustained by the bonds of matrimony, God Almighty, and Africa's unrivaled natural splendor, Graham and Trish pushed on through each trial and made it to the end, either limping across the finish line or triumphantly conquering the journey. They're not quite sure which. Either way, with all its African-sized twists and turns, highs and lows, and predictable unpredictability, it was a honeymoon never to be forgotten. For better or for worse. Author information Graham and Trish Wales are born world travelers of their own breed, currently living a quiet suburban life in North Carolina with their two kids, biding their time until they can head off on adventure again with their expanded family. Customer Reviews

What could go wrong ... did go wrong ... yet the spirit of these two honeymoon adventurers never dampened as they traversed the rough terrain of Africa. Without much of a plan, you too get to ride along with Graham and Trish in their motor vehicle, without getting hot, thirsty, dirty, or tired; without investing every penny to your name to keep the thing going, without doing the digging when stuck; and without experiencing the unknown fears of traveling a country filled with a thousand unknowns. Unfortunately, you don't get to taste the amazing game or meet the amazing people along the way. Extremely well written and engaging, I am hoping Graham writes another book soon!
