# A Change Of Heart: A Christian Romance (The Callaghans & McFaddens Book 1)

## Synopsis

This Christian romance novel of 80,000 words is the second book in The Callaghans & McFaddens series from author Kimberly Rae Jordan. A HANDFUL OF FLOWERS (ASIN: B01APAIXM6) is the prequel to this series. Makayla McFadden has been part of her family's business since it started. At sixteen, she helped her dad by answering phones and doing the filing when she wasn't in school, and now she's the office manager for C&M Builders. As the company has grown, they've had to hire new people, but the core of the company has always stayed the same. When her father announces his plan to retire, Makayla knows change is coming. Hiring from outside the family will disrupt the way they've run their business, and she's not happy about it. Upon learning that his father and step-mother plan to move to a new city with his younger sister, Ethan Collins knows he needs to move there as well. The day he gets a call from his first choice for a job, he figures God has answered his prayers. But then he meets Makayla McFadden and realizes that she doesn't want him there. After they offer him a job on a three month probationary basis, Ethan knows he not only has to convince them he can do the job, he has to somehow convince Makayla that he is a good fit for her family's company. When he finds himself falling for Makayla, Ethan tries to fight it since he refuses to do anything that might jeopardize his job and his sister's future. But when the heart can't be denied, will Ethan take the risk for love? Or will Makayla be reluctant to embrace change on a personal level and leave him without love or a job? Stayed tuned for the next Christian romance - FOR THE LOVE OF GRACE - in The Callaghans & McFaddens series coming March 2017. ## Customer Reviews

And so the series begins. I have read all of Kimberly Rae Jordan's books and this one does not disappoint. We first meet the family in the prequel "A Handful of Flowers." Makayla is the daughter of Emily McFadden and the step-daughter of Steve Callahan. Makayla is one of two girls on the McFadden side of the family and has always been "the difficult one." Makayla hates change and is determined to stop her dad from introducing Ethan to the family business and the family. Makayla struggles with feelings of self doubt and self worth and doesn't really understand her difficulties with change. Ethan is desperate to find a move that will keep him close to his 14 year old sister and needs to find a job close to her. Ethan's dad and stepmom have a tendency to just leave his sister Sierra on her own for days and weeks at a time. Makayla watches the way Ethan steps up to love and protect her and begins to experience strong feelings for Ethan. Are they strong enough to overcome her dislike of change? Can Ethan accept her as she is and love her or will she face rejection? Can she accept that if she does get involved with Ethan Sierra will likely be a huge part of his life? This book is about two people overcoming their pasts and walking towards their futures. I can't wait for the next book!

This is a great story and it looks like another great series by Ms Jordan. However Ms Jordaam has some unfinished business with the Black/Thorpe series or is the series finished? What about Alex's partner and his sister's story? I hope it's not the end of series

I don't believe Kimberly Rae Jordan could write a book that was disappointing in any way. I love her writing, the editing is super, the characters are so real, and the storyline is never boring. I'm starting the next book immediately. Highly recommended.

This story has strong character and Avery interesting storyline. It's about family, friends, work and relationships in life. I love the stories by this author and have been disappointed in this one .

I am a Kimberly Rae Jordan junkie. I have read every one of her books I can get my hands on. Her writing style pulls you right into the story. I experienced every emotion while reading this book - at one point I was in tears. I cannot wait for the next book in this series!

Again Kimberley nails it with new series of this blended family that has unique characters and awakens the romantic side of mine that I often wish to keep at bay! It all makes for a tingly and warm reading .

Love everything of Kimberly Rae Jordan 's I've read. Hope she keeps adding books to all her series. Her characters become family. I have a hard time putting her books down to get anything done. Find myself reading every chance I get. Always sad when the book is over

These are good series. They seem to intertwine so effortlessly. The characters have depth. And this one was definitely more real people.
