Customer Reviews

I am a mom of a little easy baker and this cookbook is a GODSEND! Those \$6.99 Easy Bake Oven kits ADD UP. This book is great. Most recipies are for sweets, but there is a quesadilla and a pizza recipie, and a few other non sweet selections. The writing is large, perfect for early readers.

bought it as a gift they love it

She has really enjoyed this. The recipe quantities are accurate and the directions are easy for a 7 year old to follow.

My granddaughter is having fun trying out the recipes on her brothers. Great alternatives to the expensive mixes.

Prompt delivery. This book is amazing and will save a lot of money compared to the pre-made mixes. Thank you!

Adorable!
