Garden Lover's Cape Cod

Synopsis

With high winds, sandy soil, and a spring season that seems to stay cold forever, Cape Cod provides unique challenges to the creative gardener. Then why do so many glorious gardens flourish here? C. L. Fornari has the answers. With 225 color photographs and an authoritative text, Cape Cod's own ""Garden Lady"" leads a tour from public parks to some of the most beautiful private properties. Along the way, she offers Cape Codders detailed advice on growing roses, hydrangeas, perennials, shrubs, vegetables, lavender, and so much more. For the Cape gardener, Fornari's analysis, advice, and gorgeous photography will be an inspiration, and for anyone who loves Cape Cod this book will be a delightful tour of places where the beauty of the land matches the splendor of the sea.

Customer Reviews

"Fornari has left no stone unturned. This is about as complete a book on Cape Cod gardening as anyone could hope for and a wonderful addition to any gardener's library." -- The Cape Codder, May 10, 2007
"We're serious C.L. Fornari fans. With her exceptional green thumb and exquisite sense of color, her gardens are truly works of art. She loves and understands the unique natural beauty of Cape Cod, and she has the remarkable talent to create gardens that enhance that beauty." -- Vicki & Ted Kennedy, Hyannis Port, MA
"Filled with stunning photographs of the Cape's meadows and public and private gardens, the 129-page book contains ideas and inspiration even experienced gardeners will appreciate." -- Coastal Living magazine, July 1, 2007

C.L. Fornari is a columnist, speaker, radio commentator, and author. She has lectured at the New York and Massachusetts Horticulture Societies, numerous garden clubs, and at flower shows from San Francisco to Rhode Island. She is host of "GardenLine" on WXTK radio. She lives and gardens on Cape Cod.

This book is just what I needed. I consider myself of an intermediate level of a gardener, but out here, things are different. With the sandy soil, and the salt air, gardening on the Cape, is like nowhere else. Even within the Cape, the towns have their own micro-climate. HERE within these beautifully photographed pages are the practical hints and tips to maintain a beautiful garden for each season of the year.

Loved the book. Great coffee table book & great garden info

best authoritative source for Cape Cod gardening available. CL is knowledgeable about soils, weather and plants that do well in zone 6 and has a no nonsense approach
