Customer Reviews

I'm enjoying the various launch locations, tips and helpful information provided in this book.

Kayaking on Cape Cod is a beautiful experience. There are so many places to launch and beautiful scenery to be seen and this book helps you find where to go and where you are going. My only complaint would be to add more than 1 launch/trip per town. There are many locations that were overlooked. Please, add more! Otherwise, a great resource.

We went to Cape Cod with our Kayaks for the first time, and found this book extremely useful and informative. It has all the launching info (parking, tides, specifics for each site), great descriptions about the trips, what to expect to see and encounter, great Topo maps, plus the safety tips for behaviour and gear you need to be aware of when venturing out into tidal waters. We even met one

of the advisors to the author on a guided tour!

I am now using AdventureKayaking CapeCod and Martha'sVineyard because I find it comprehensive(all 15 towns plus Martha'sVineyard) and like the detailed current description of each tour and the info given for access to each launch point
