# 78 Duets For Flute And Clarinet: Volume 1 - Easy To Medium (No. 1-55) (Rubank Educational Library)

## Synopsis

(Ensemble Collection). A wonderful compilation of duets from Rubank, the two volumes presented here supplement musical development and provide a rich experience for growing musicians. Duet playing is often a student's first form of ensemble experience - technique, tone quality, intonation and balance are introduced as students do one of the things they enjoy most - making music with a friend. And duet playing leads easily and naturally to competent performance in larger ensembles. (Vol. 1 Easy to Medium, Vol. 2 Advanced)

## Customer Reviews

The level of difficulty is a bit higher than expected - definitely not beginner. Maybe late middle school for ambitious students. My middle schoolers have found a couple they will be able to do with work but none of these are easy.

Outstanding learning book. Keys follow Rubank Advanced Method Vol I books. Allows for concurrent study of these keys while providing opportunity for flutist and clarinetist to play with other instrument. Highly recommended.

I got this duet book for my twin daughters age 10 for Easter. They both like it very much and it allows them to play the same song, but different parts.

This book is the classic flute and clarinet duet book for middle school and high school students.

I bought this book to use for clarinet and recorder. It is challenging, and my friend and I have been surprised at how good the instruments sound together--when we are together.

Looks good! Will know more when my granddaughter & I have a chance to try them out.

Where is the list of songs? And where is a sample page? These would be very helpful.

Ok not the best. I've found these great duets from
