National Security Law: Principles And Policy (Aspen Student Treatise)

Synopsis

This unique new concise treatise provides a highly accessible but also comprehensive and timely supplement for students studying National Security Law. Written by a team of experts in the field, this treatise serves as a useful supplement for the substantively rich but often overwhelming National Security Law texts currently on the market.

Key Features

- Comprehensive overview of both the general legal framework for national security decision-making and commonly explored specific national security topics.
- Narrative explanation of complex jurisprudential, statutory, treaty, and regulatory sources of national security law.
- Complements a range of the most commonly addressed national security topics.
