Phyllis J. Perry has lived in Boulder, Colorado for forty years within an hour's drive of Rocky

Mountain National Park. She and her husband visit the park in all seasons of the year to photograph its beauties, and to enjoy hiking, cross country skiing, fishing, and camping. Among her prize winning books are *Animals Under the Ground* and *The Secrets of the Rock*. She is also the author of *A Kid's Look at Colorado*; *Sherlock Hounds: Our Heroic Search & Rescue Dogs*; *Sounds Around Us: Poems to Tickle Kids' Ears*; and *The Alien, The Giant, and Rocketman*.

Great history of Rocky Mountain NP, with some rare anecdotes.

This fast read book is written for a small audience. That being, people who love Estes Park and RMNP. Thus for us it presents as a good read. But the stories are not that harrowing as to be of much interest to the casual reader of adventure. This collection of stories spans over 100 years of things that occurred (some behind the scenes some very public) in the Rocky Mountain National Park. Bear attack, elk kill, fall rescues, road building, flood disasters. It's a small book. And the individual stories are quite short. The facts are presented straight forward without much journalistic color.
