Garfield Fat Cat 3-Pack #18

Synopsis

THREE BOOKS IN ONE MEANS THREE TIMES THE FUN! It's a triple portion of big fat hairy fun! The fat is in the fire when Garfield is on the scene. Cooking up trouble and laughs is the specialty of the house. Of course, Garfield has plenty of help with his nerdy friend Jon and doofus dog Odie as his not-so-trusty sous chefs. Whether Garfield is suffering fools such as Jon and Odie, or chillin' like a villain, he's always entertaining, and there are always plenty of laughs to feed his hungry fans! The GARFIELD FAT CAT 3-PACK series collects the GARFIELD comic-strip compilation books in a new, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So enjoy some supersized laughs with the insatiable cat, because too much fun is never enough!

Book Information

Customer Reviews

Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame

(1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.

These always get five stars. My son loves them and there is a of of book for the price. He has every one of these fat-cat 3packs and they have held his interest for 5 or 6 years now. It seems to understands them differently as he ages and rereads them. When he younger, they really helped him learn to read, and there are none of the misspelled words (I'm thinking of Captain Underpants) you can find in some kids books... And he can even share these with grandparents!! We've really gotten our money out of them.

My son loves these. It's the only way we can get him to use the restroom! He has to have a Garfield book as reading material!

Another great book for kids that love the sarcasm with Garfield!

Excellent for a 5-6 year old

My son has every one of these Fat Cat 3-pack books. He loves them all! Fast shipping and arrived in great condition!

Product came as described and on shipping date expected

Grandson loves reading this. He will pull it out and sit down and soon we can hear him laughing.

Garfield comics are among the funniest comics that I've read. I especially enjoyed the Mouse ones.
