# The Im-Possibility Of Interreligious Dialogue

## Synopsis

In the face of competing religious claims in our shrinking world, many turn to dialogue as a hopeful way of fostering understanding and reducing violence. But why does actual dialogue so often fail? This provocative essay investigates the possibilities and limits of interreligious dialogue. By showing the significant obstacles for dialogue within Christianity, the book also proposes ways in which these obstacles may be overcome from within. Major themes include Humility, Conviction, Interconnection, Empathy, and Generosity.

## Customer Reviews

Great book for those who are into interreligious dialogue.

I belong to Krista Tippett discussion group that is interreligious and this book has been a real help in guiding our back and forth wordplay. Excellent writing and an encouraging path to humility and acceptance of others' views of life and faith.
