Customer Reviews

"It's Womack's book you'll pick up if you need a fact fast." - Goldmine "To those libraries and collectors interested in a dense edition of Beatles musical information, this volume could be a valuable one-stop resource." - ARBA

Kenneth Womack is dean of the Wayne D. McMurray School of Humanities and Social Sciences at Monmouth University, where he also serves as professor of English.

Love anything by Ken Womack. I had the opportunity to meet him in London. He is a go to Beatle Expert. He was our walking tour guide in London on our Road Scholar Tour called The Beatles:

From Strawberry Fields to Penny Lane. Delightful.

A GREAT BOOK ABOUT ALL THE SONGS.

This is a treasure trove of information for the casual and hardcore fan of the lads from Liverpool! What I love about Ken's books is that they have the look and feel of a textbook--meticulously researched, cited--but are conversational. A mind-blowing trait! I learned a lot thumbing through this and as I listen to The Beatles, this has become a welcome companion!
