## **Customer Reviews**

At least they have some size to them, and I love the hard board there cut from, leave more feed back when I use them

good

I love using stencils with the children. I will use these when the weather is colder and wet outside. f

Great for crafts!

Great little book of stencils. I needed some leaf stencils to spray paint some nature objects and this

worked out perfect. The stencils tear out of the book if you need to. And for \$1.50 you can beat it, especially with free shipping.

There are six leaf stencils here, cut into heavy laminated paper. The stencils are: holly (5 inches long), white oak (5 inches), sweet gum (4 inches), yellow poplar (3-1/2 inches), maple (4 inches) and aspen (5 inches). The white oak, maple and holly are pictures on the cover (left to right). Depending on your project, you might want to shrink these basic designs a bit, but you can't beat this price for getting some good basic stencils.

Just as described

nice price
