PAULA DEEN, Culinary icon and queen of Southern cooking, Deen is a self-made success story who learned the secrets of Southern cooking from her grandmother. Deen's first business, The Bag Lady, started her successful career and led to the opening of her first restaurant, The Lady and Sons, with her two sons Bobby and Jamie five years later. In addition to her success on TV and with her restaurant, Deen is a two-time Emmy award winner and the author of 15 cookbooks that have sold more than 11,000,000 copies. Paula's magazine Cooking with Paula Deen celebrates it's 10th year and has over 3 million readers. In 2014, Deen launched the Paula Deen Network, an interactive digital cooking network that combines cooking, lifestyle and game shows with great recipes, meal-planning tools and more. Paula's social media fan base exceeds six million strong.

i love it! not a bad recipe in here!!

I might have the original book she published - when visiting their at her restaurant in Savannah. But this new one is just great! Brought back a lot of great memories - and also some of the great recipes I had forgotten about - but definitely a 5 Starr Keeper. One you will want on your shelf of "Favorites."

Really good down to earth cook book. The recipes are tried and true from real home bakers and cooks. Most of the ingredients are things most people would have in their pantry unless they had simply run out. A have already made several dishes in the book.

I like Paula Deen's traditional southern recipes. This collection comes from her early days as a restaurant owner and includes recipes from Paula as well as her employees.

I wish I could give it zero stars. Cans of soup, cake mixes and bisquick for a recipe? That is NOT southern cooking! I bought the book to go to a book signing she had in Wilmington. I stood in line for almost two hours and it never moved. I USED to be a Paula fan...

The recipes are wonderful! Paula Deen is a master at creating delicious dishes. Grab this cookbook and head to your kitchen.

I have always liked Paula Deen and I had to have her new cookbook! Lots of good recipes!

it goes along with all the other paula deen books in the collection
