The Soul Winner: How To Lead Sinners To The Saviour, Updated Edition

Synopsis

A must-listen for anyone who loves God and their neighbor. As an individual, you may ask, how can I, an average person, do anything to reach the lost? Or if a pastor, you may be discouraged and feel ineffective with your congregation, much less the world. Or perhaps you don't yet have a heart for the lost. Whatever your excuse, it's time to change. Overcome yourself and learn to make a difference in your church and the world around you. It's time to become an effective soul winner for Christ. As Christians, our main business is to win souls. But, in Spurgeon's own words, "like shoeing-smiths, we need to know a great many things. Just as the smith must know about horses and how to make shoes for them, so we must know about souls and how to win them for Christ." Learn about souls, and how to win them, from one of the most acclaimed soul winners of all time. In this book, Charles Spurgeon discusses: The role of conviction The need for holiness in the soul winner Why simplicity is more effective How to be interesting How to pray for the lost How to deal with failure The role of discipleship How to engage others to help Now in modern English, with additional supporting scripture added in key areas.

Customer Reviews

Excellent A nice collection of sermons that pertain to Winning Souls. Quite moving the relevant.

How can you go wrong with Charles H Spurgeon!

Charles Spurgeon lays a good foundation to encourage us to become soul winners, which the Bible

commands. It's written from the pastor's perspective for other pastors, but all Christians should get much from it. I found it to be helpful, informative, and uplifting.

Recommended!! Very good book a must read for the soul winner. May God lead us to the lost soul so we can lead them to Jesus.

Easy to read and understand for the child of God through Christ Jesus! Spurgeon would be amazed at the impact he continues to have on lives after all these years.

Wonderful works of Spurgeon
