I loved ALL of the recipes and the descriptions that the author provided. It was so enjoyable to

review and to prepare the various recipes. The author did a fine job of writing and reviewing the recipes. I prepared quite a number of the recipes and had no difficulty following the direction - everything worked.

Got this before a trip to Savannah and used it to help me decide where I want to eat and what I ordered.

My daughter and I love Savannah! This is her birthday gift to remind her of our Savannah trip.
