Gary Player's Black Book: 60 Tips On Golf, Business, And Life From The Black Knight

Synopsis

Gary Player's Black Book contains 50 questions and detailed responses from 18-time major winner Gary Player. The book, divided into three parts, focuses on specific scenarios and problems that arise in golf, life, and business. In the first section on golf, topics include putting, scoring, etiquette, the mental side of the game, and fitness and nutrition. In the section on life, Player, the father of six and grandfather to 22, addresses issues such as parenting, who to turn to when in need of advice, and more. Finally, in the section on business, he details how to deal with competition, among other topics. Player responds to questions such as: Golf: How do I play a bunker shot from a plugged lie? Life: I feel like I've lost the passion for what I do. How do I get that back? Business: When people criticize my work, I take it very personally. How do you handle criticism? Player draws from both on- and off-the-course experiences dealing with competitors, businesspeople, and family. In doing so he offers a unique glimpse into handling adversity with regard to these relationships. The advice that he offers is invaluable to fans of all ages.

Book Information

Audible Audio Edition

Listening Length: 4 hours and 33 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Tantor Audio

ASIN: B072HVQX36

Best Sellers Rank: #182 in Books > Sports & Outdoors > Golf #302 in Books > Audible

Audiobooks > Nonfiction > Sports & Recreation #747 in Books > Business & Money > Skills > Decision Making

Customer Reviews

Great book from one of the greatest players of all-time. I've thoroughly enjoyed reading this book and everything Mr. Player shares.

Excellent book at an excellent price.

Excellent read!

Inspirational.

Gary Player is an inspiration and a master of discipline. Playing during the era of Nicklaus and Palmer, he will go down as one of the game's greats based on his playing record. The book is written in a conversational style, which, if you've ever seen player interviewed on TV, he has a friendly and engaging demeanor, which comes through in the book. The book is organized into three parts, giving practical advice for various scenarios: 1) Life; 2) Golf; 3) Business. The topics covered range from overcoming fear of public speaking to how to hit out of a divot. They also address big issues such as what makes a good CEO? Oddly enough since Player is such a well-known golfer, the better parts of the book are those that do not relate to golf. Yes, his tips on how to grip a club and hit a fade are good, but this is not at its core an instruction book, and we all have such different styles and swings that it is hard to learn from a book. The more impactful advice is his life advice, and in particular how to keep a positive attitude. One of the things that comes through is that having and keeping a positive attitude are one of the keys to Player's success. That, plus determination, discipline and practice. As someone who has had such a large measure of success on and off the course, I found his advice useful.
