Brewing Trouble: A Witchy Mystery (Tree's Hollow Witches Book 2)

Synopsis

Dead and Breakfast Aunt Kara wants to rename the Tree's Hollow Bed and Breakfast, so she holds a contest to find the perfect new name. The prize for winning the contest? Death. That wasn't Kara's intention, but there's another murder none the less. At least this time the body wasn't found in the inn. Why would someone kill the winner? This book is a cozy mystery with no swearing, graphic violence, or adult content. It is the second book in the Tree's Hollow Witches series. Brewing Trouble is suitable for all ages.

Customer Reviews

Funny, dramatic and a bit suspenseful story. Lenora and Nathan are a happy couple and when Nate asks her to make things official, she is eager to accept - but the moment is tainted by suspicious death of a Russian man. Lenny investigates the case while she organizes her life - new friends, new house, future husband and his crazy ex, aunt's business.. there is a lot going on in Tree's Hollow. Quick, light and funny read, nothing to think hard about. Nice plot and character

development, although the explanation of murder motives was a bit awkward, unrealistic and shallow and it ruined the general impression I got from the story. However, I very much liked the main characters and how their personalities crystalize which balanced the weird feelings from the murder case climax. This is so far the best story in this series anyway.

Lenny and Nate were having dinner when a waiter dropped a tray of food and drinks. Despite the distraction, Nate gave her a beautiful necklace to formalize their exclusive relationship. Before Lenny could stop herself, she blurted that she loved it and loved him too! Smiling, he admitted he felt the same. But before the joyous celebration could really begin, a man at the next table has a massive heart attack and dies! When the man's spirit walks over to tell Lenny the woman he was with killed him, she has to retreat to the coat closet for privacy. Not a great beginning for this important date with her boyfriend! Getting ready for bed, there was scratching at the window and Lenny saw a witch hovering outside! Esme introduced herself and invited Lenny and her familiar, Jezebel, to come for a walk with her. They went to Kizzy's cabin and they worked on helping Lenny learn to shield her thoughts better. After all, even her cat could easily hear her thoughts half the time! More adventure is coming her way! Is she ready to jump in the middle of things again? This is a very cute story. Lenny is a very likeable character who is still getting used to her witch powers and meeting new friends. I enjoyed reading this book and recommend it, along with the previous book in the series.

Want to get away from everything pick up this story and read it. It will take you away from everything that's bothering you and make you smile and giggle as you follow the characters through this lovely story

Love the first two books of this series. Can't wait for book three to come out. Sara has the perfect touch for writing great mysteries.

Funny engaging and well worth reading.

The author made this book one of those you just can't put down. You really care about these characters as if they were real.

This book is a wonderful story I enjoy this very much I didn't want to put this book down I hope you

enjoy it like I did

A short story that Doesn't take very long to read..
