Synopsis

FIVERR-The Best Gigs Ideas For Making Serious Money on Fiverr.com Are you looking for the best gigs that make money? Do you want to know how to get your gigs noticed? In this book, I reveal two easy ways to make money on Fiverr. These money making methods are so simple to do, a fifth grader can do them. I've been a self-employed Internet marketer since 2010. It's taken me years to learn all of the tips, tricks, ideas and secrets I share with you in this book. There are many different ways that people make money with Fiverr gigs. I've tried several of them and the two gig ideas I highlight in this book have proven to be excellent money makers! A Few Things You Will Learn on Making Money on Fiverr Secret tips and tricks for getting your gig in front of more people than your competitors (through search engine optimization or SEO) Three of the worst gigs I tried on Fiverr Two very lucrative gigs that anyone can do The easiest way to make a lot of money on Fiverr How to succeed on Fiverr I know all the secrets to making a ton of money with Fiverr.com gigs. Make Money With Fiverr Contents The Smartest Way To Make Money On Fiverr.com Starting Out Important Things to Know Gig One-Huge Money Maker Gig Two-Easy and Lucrative How To Get Your Gigs In The Top Results I've been making money on Fiverr for a couple of years now. There are two very good gigs that have proven to be well worth my time. In the following pages I am going to share with you what those good Fiverr gigs are and how you can outwit your competition and placed in the top of the search results on Fiverr. You might be wondering if these are a couple of the best gigs to make money on fiverr with, why is he giving away his secrets? That's understandable and easy to explain as well. You see, I only have one gig on Fiverr right now and I have a lot of positive reviews. I'm not concerned about you outranking me because I have established a reputation and have repeat customers. However, don't let that discourage you, there's plenty of room for you to make money with these gigs on Fiverr. I make a full time living from the Internet. I have multiple streams of income online. Fiverr consists of a very small percentage of the money I make online. I basically spend the money I make on Fiverr on other gigs that will help my other online income streams to be more successful. With the money I make from my Fiverr gig, I hire people to do video blasts, create video introductions, design graphic art and edit books that I write. Tips From The Book On The Best Money Making Fiverr Gigs: You have to come up with some good gig extras. This is where you will make the money you deserve to make for your services. If you can deliver your gig in one day, that's a great way to make extra money. When you set your Fiverr gigs up, set the delivery for three days and then have a gig extra for \$5 or \$10 to deliver the order within 24 hours. You might also consider setting up a gig for tips. When you deliver your order, always request that your customer consider leaving a positive review on your gig. The

more positive comments you get the better your gig will do on Fiverr. Respond to inquiries people have quickly. There is a lot of competition on Fiverr. It's important that you keep an eye on your messages. Get the book now so you can start creating successful gigs, outrank your competitors and start making a boatload of money, the easy way on Fiverr. Customer Reviews

Best fiverr Gigs has very useful advice about running your fiverr freelance business. I found the advice on handling cheapskate customers especially useful. This understandable, to-the-point booklet fits my dwindling attention span nicely, and it does not have the distracting grammar, syntax, and punctuation errors that most free Kindle ebooks have. The core message tells you how to find topics that sell. Some might say that the side topics demonstrate a lack of focus, but I found them

too valuable to level that criticism. Whether a gig is a "best gig" depends on how you handle it. A better description might say that the tangents bring balance and increase your ability to turn whatever you do into a "best gig." What cost the author two stars, in my eyes, was the over-promise of the title. If the title read, "FINDING POPULAR fiverr Gigs," the inclusion of only two examples would not have disappointed me. The method also seems to stop short. The book (it might be more appropriate to call it a pamphlet) tells you how to find a niche that has a high sales volume, but a high volume does not mean you have a good market. Remember the law of supply and demand. The trick, it seems to me, would be to find a gig that has significant demand but very few people meeting that demand. The pamphlet would benefit from adding a step to eliminate niches in which the number of people available swamps the number of openings for a particular gig. This is a \$1 pamphlet, not a \$3 book. I could be wrong, but that's how I see it.

I have been using Fiverr for a while now mainly doing graphic design gigs. I had never even considered doing the gigs outlined in this book but I am definitely going to start. Even if like me you have been using Fiverr for a while this book can definitely help you to make more money on Fiverr. The book gives a brief overview on general tips for making money on Fiverr and details 2 very good ways of getting started with or expanding your Fiverr gigs. If you are interested on making some extra money via Fiverr this book is a great help and contains good solid advice for newcomers and existing users alike.

My nephew is very enterprising and is always doing things to make money, so when I heard Fiverr mentioned I researched it and bought this book for him to help him get started. He read it and said it helped him figure out what to do, and he's already sold a few gigs. I read through it as well and it explained everything well for someone who hasn't heard about it before. Well written and informative, a great introduction to the website.

This book is filled with excellent information on how to succeed by selling gigs on the Fiverr website. The author introduced a concept that I'd never thought of doing, outsourcing the work received from a lucrative gig. Ernest holds nothing back as he openly reveals two of the best money making gigs he's done on Fiverr.com. Additionally, I like the writer's style. He delivers concise information that is direct and to the point. This is a good Kindle book on how to make money on Fiverr.

The best book to reveal success your online marketing on fiber. Author putting right guidance about

how to make lucrative gigs, marketing and sell your ideas on further. Highly recommendable!

Fiverr tips galore! Seriously this book can give you an extra source of income or help you elevate your Fiverr business to a whole new level. HIGHLY RECOMMENDED!

I heard a lot about people having success with this site, and this book has some great ideas for making money with fiverr! It's a helpful book with a lot of ideas, great way to make a little extra money each week.

Feeling informed. As a fiverr seller just beginning the process and finding the best gigs to offer. Perfect choice for new sellers.
