Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

A great tool for learning to play keyboard! I didn't even know how to read music, but in less than a month, I am playing songs that I never thought I would ever play. I've always wanted to play piano

music; and now in my 50's; I am actually doing it!

IF I KEEP PLAYING THIS BOOK, PRETTY SOON I'LL NEED TO REPLACE IT FOR ANOTHER. IT IS ONE OF MY FAVORITES AND I PLAY IT ALL THE TIME.

I enjoy the EZ play system but I was disappointed in the songs in the book. I wish there had been a way to see what songs were included before ordering. If there was I couldn't find it.

This is my favorite EZ play book of the rock era because of the selection of song titles. Many of these are at the edge of complexity for EZ note piano students.

Song selection are excellent; however, the chord composition is not the greatest. Doesn't sound like it was created by a musician, more like a machine. The chord changes so frequently and sometimes not needed. Recommend buy other book.

I teach guitar very popular with my students
