Anti-Gone

Synopsis

Reality's grip is loosened as Spyda and Lynxa explore a potentially constructed environment that shifts between dystopic future and constructed virtual present. Like a form of multistable perceptual phenomena, Anti-Gone exists in ambiguity. Anti-Gone recalls videogames that attempt to replicate, or perhaps replace, reality. Often called virtual or synthetic worlds, massively multiplayer online worlds offer an escape into another identity, another life, where there isn't a goal or final boss like most videogames. Similarly, Anti-Gone is like Joyce with a joystick, the experience and the language of this otherworld is the meaning. Connor Willumsen is a Montreal-based artist originally from Calgary, AB, where he received a design degree at the Alberta College of Art and Design. He began making comics while attending the School of Visual Arts in New York City. Since then, he has drawn stories for Marvel, DC, and Dynamite and illustrated the covers for Criterion editions of David Cronenberg's *Scanners* and Stanley Kubrick's *The Killing*. He has self-published a number of zines and comics and in 2014, Breakdown Press published volumes one and two of his book *Treasure Island*.

Book Information

Paperback: 120 pages

Publisher: Koyama Press (September 5, 2017)

Language: English

ISBN-10: 1927668514

ISBN-13: 978-1927668511

Product Dimensions: 0.5 x 8.5 x 10.8 inches

Shipping Weight: 14.1 ounces (View shipping rates and policies)
