Customer Reviews

I can strongly say, this book is well-researched, beautifully written and offers a lot of delicious recipes, from desserts to soups, and much more. Got so much inspiration from this book, so decided to try spiced pumpkin soup last weekend. And it came out flavorful, sweet and creamy, just the way I like it. Anyway, very happy with my purchase.

Making meals in a mug, I didn't think it would be this easy, but it really is. It's a great time-saver in the morning! It mostly requires basic ingredients as well. Me personally like the Cheesy Pasta with Beef a lot! thanks Les Ilagan!

it has a lot of unexpected possibilities in it
