Customer Reviews

Really fun to color shading

This Adult Coloring book was sent to me by a friend and I love the book. It has so many beautiful Illustrations of Butterflies and Flowers all printed on one side of the book to avoid bleed through. One thing I love about the book is that most of the Drawings look Real, you could color and frame. If you are looking for a nice Adult coloring book that is not to Complicated or Simple, then this is your Best Bet. Highly Recommended

Very nice book. Just got it, i would get it again and also for a gift. Detailed but not overwhelming.

Picture outlines are to dark for light coloring

Great designs. Wish the paper quality was thicker but works fine if you insert something in back. I use felt tips and gel pens and it is perfect.

So disappointed in this book. The pages were super thin and the ink quality wasn't very great. The only thing I liked about this book was that it did have some nice designs to color. I returned it.

Nice assortment of designs.

I wish Amazon would allow me to leave zero stars!!!! I got this book, loved the cover, then I opened the book!!! It's printed upside-down & bacwards!!!! How does one do that??? THE ONLY REASON I AM KEEPING THIS BOOK IS FOR PRACTICING NEW TECHNIQUES I NEED TO POLISH UP ON!! THAT IS THE ONLY GOOD PURPOSE FOR THIS BOOK! THANK GOODNESS IT WAS CHEAP, THAT'S THE ONLY POSITIVE THING I CAN SAY ABOUT IT!!! IT'S ALSO ALLLL CLIP ART IMAGES RETRIEVED FROM THE INTERNET SOMEWHERE. MANY OF THE PICTURES ARE NOT FULL PAGE AND MANY ARE NOT LINED UP CORRECTLY BEFORE THEY WERE PRINTED. IF YOU CONSIDER THIS BOOK HIGH QUALITY, YOU NEED TO EDUCATE YOURSELF FURTHER. THIS WILL COME IN HANDY FOR PRACTICING BACKGROUND TECHNIQUES, SHADING TECHNIQUES WITH A FEW OF THE DESIGNS AND WHATEVER PAPER DOESN'T GET USED CAN ALWAYS BE CUT OUT OF THE BOOK USING AN XACTO KNIFE WITHOUT WORRYING ABOUT DOING ANY DAMAGE TO IT!!! YOU COULD NOT POSSIBLY MAKE THIS BOOK ANY WORSE THAN WHAT IT IS.
