4 Book Box Set: Bride Adventures Of The Four Michaels Sisters

Synopsis

4-BOOK BOX SET SWEET CLEAN MAIL ORDER BRIDE HISTORICAL WESTERN SERIES In this sweet, clean, historical western Mail Order Brides series you'll meet and get to know the four Michaels sisters: Annie, Melody, Rose and Penny. All four of them work long boring hours in front of a sewing machine at the factory. Feeling stuck and wanting more out of life, they all decide that the best option is to each become a mail order bride. Gladly but nervously leaving the factory behind, they each set out on their brand new journey. Join with them through their times of trials and joy...and completely unexpected adventures!

Book 1 - Annie: A Bride for Mischievous Charlie In this first book of the series, you'll get to know Annie, the eldest of the four. After scanning the paper, Annie has chosen a young man named Charles to write to, a businessman who wants companionship. He has sent her a ticket and she's on her way to Prairie Rose Montana. Because of a scary event prolonging the trip, a gracious older woman invites her to stay at her home for the night once arriving into town. The next morning, she discovers that the woman's grandson staying there is Charles, the man that sent for her! The only problem is, he's been acting quite strangely, and she eventually discovers he's not quite the person he claimed to be.

Book 2 - Melody: A Bride for Wealthy E.G. Shipley In this second book of the series, you'll get to know Melody, the second eldest of the four. She has chosen a young man named E.G. Shipley and is on her way to California. She arrives at his home; (well, actually, a mansion!) only to find out from the butler and maids that her future husband isn't due back from his trip to England for a few more days. Soon after her arrival, a very heavy storm hits and a young man is washed up from the sea-alive, but with amnesia. They take him in and nurse him back to health, but still with no memory of who he is. Her husband-to-be also arrives home, but it turns out he is a harsh and unfriendly man and Melody is terrified of him. Not knowing what to do, a series of events eventually unfold before her, revealing the shocking truth of who each of these men actually are...

Book 3 - Rose: A Bride for 'Scar Face' Colin In this third book of the series, you'll get to know Rose, second to the youngest. Rose is a little nervous about taking a leap of faith into starting a new life, but thankful, as she has been holding a secret from her sisters, that she was not ready to reveal. Looking forward to meeting her husband after arriving in town, she was utterly frightened by the things that were said about him by some of the townsfolk. They told her to run, and head back home immediately! Knowing she had no home to go back to, she decided to stay and meet him, figuring the folks must have been mistaken. But imagine her shock when she saw him... Frightened, she was now stuck there. Find out what she decides to do and what evolves...

Book 4 - Penny: A Bride for Preacher Paul In this fourth and last book of the

series, you'll get to know Penny, the youngest sister. Penny feels she has no choice but to leave along with her sisters...so she told them that the man she had been writing had sent for her as well, but actually he hadn't yet. Once arriving at her destination, she finds a job and a place to live... which turns out to be next door to the very man she had been writing. Of course she doesn't let on to him that she's the one, but someone in town finds out her true identity...and plans to make things very difficult for her.
