Chopin - Concerto In E Minor, Op. 11: Music Minus One Piano Book & Online Audio

Synopsis

(Music Minus One). Performed by David Syme, piano. Accompaniment: Stuttgart Symphony Orchestra. Conductor: Emil Kahn. This romantic concerto is one of the composer's few works with orchestra and displays great lyricism and grandeur. Revealing Chopin's unique understanding of the piano, it is a challenging and rewarding work which combines poetry and excitement as only this master could. A high point in the literature, essential for every serious pianist. Includes an authoritative, newly engraved 112-page music score and high quality demonstration tracks and backing tracks online. The audio is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

Yes, we offer opera repertoire as well as the most famous chamber music pieces in this unique and extraordinary catalog we call Music Minus One. Established 1950 and still going strong! Almost one thousand albums!!

The full recording version has a loud banging at the beginning of each section. It seemed out of time with the pianist and orchestra. I was surprised, because I have this same company's version of Chopin's Concerto No.2 in F minor, and that one is excellent. The pianist and orchestra play well enough to be a great version to listen to multiple times, for learning. I wish they had used that pianist and orchestra for this Chopin Concerto No.1 in E Minor.

I'm actually going to have to agree with one of the other customers who commented on the inconsistent tempo--the fluctuations drove me crazy! Aside from that, this CD-book set is very helpful in allowing the pianist to run through the composition with the orchestra. I believe that practice makes PERMANENT, and that PERFECT practice makes perfect, so due to the (in my opinion) misplaced tempo fluctuations, I would strongly recommend that the pianist thoroughly learn the music and practice a lot BEFORE using this set, then use it sparingly.

It's a great help for preparing the work for a concert with its recordings in different speeds. The sheet music is a good edition with interesting fingerings.

so some of us don't have access to an orchestra whenever we want. i guess even concert pianists don't have that much privilege. but if you have friends you can play with, it's better than the tempo offered in the book. i'm not saying the tempo is off or bad. but it is too strict leaving rubato to be desired. this book will help you a lot in the end. it has the orchestra on the CD and you can fill in with the piano.. how great is that? it's like having an orchestra play with you when you wish. so practicing the concerto is now a lot easier. (if you're the pianist that is).
