A variety of unique strategies for approaching the selections helps you meet the diverse needs of your students. FORMAL ASSESSMENT includes selection tests, standardized test practice, writing prompts, and scoring rubrics.

This is a good assessment book, except I bought it by mistake and it doesn't go with the McGraw Hill Literature. I thought it could be used independently with its own reading material, but you need the McDougal Littell series to go with this one.

Great condition and a real time-saver for teachers using this textbook.
