Your Golden Retriever Puppy Month By Month: Everything You Need To Know At Each Stage To Ensure Your Cute & Playful Puppy Grows Into A Happy, Healthy Companion

Synopsis

Your Golden Retriever Puppy Month by Month provides new pet owners with everything you need to know and do at each stage of development to make sure your playful, energetic puppy grows into a happy, healthy, and well-adjusted companion. A veterinarian, a trainer, and a breeder team up to cover all the questions new owners tend to have, and many they don't think to ask, including:^{*} What to ask the breeder before bringing your puppy home* Which vaccinations your puppy needs and when to get them* How to make potty training as smooth (and quick) as possible* What to do when your puppy cries at night* Why and how to crate train your puppy* When socialization should happen and how to make sure it does* When your puppy is ready to learn basic commands--like Sit, Stay, and Come--and the best way to teach them* When and how to go about leash training* How much exercise your puppy needs to stay physically and mentally healthy* What, how much, and when to feed your puppy to give him the nutrition he needs without the extra weight he doesn't* When your puppy is ready for obedience training and how to make sure it works* How and how often to bathe your puppy, brush his coat, clip his nails, and brush his teeth* How to know when a trip to the vet is needed* What causes problem behaviors, when to expect them, and how to correct them

Fantastic book on golden retriever puppies from birth to 1 year old. Any questions you may have are answered here in a very easy month by month resource book. Every owner of a golden retriever puppy should have a copy of this book before they bring their new puppy home,

A must have book if you have a Golden. It is the most helpful guide when training your puppy to be a fun loving part of your family.

If your considering getting a new Golden, or have a new puppy, you will find this book to be extremely useful and extremely accurate in what you v=can expect as your Golden matures.

This is a great book for raising a Golden Retriever. The book is written in month by month chapters so you know exactly what to expect of your dog. So far, Molly is doing what is expected! I give this book 10 out of 10 stars!!!

The perfect book for my daughter and her family .First dog and learning about Goldens. She is not a reader and so excited that she is loving the book.

This book is great so far. I love the month by month approach and it helped me prepare for my puppy. I would recommend it to all golden puppy owners.

This book is so helpful in rearing our puppy. The information for each month is invaluable.

My puppy's coming home at the end of July, so I bought a bunch of books to help me prepare myself. This one was by far the best one. It breaks down month by month what your puppy will be going through in a detailed, yet interesting and easy to read fashion. I feel that the book is very well organized (each chapter represents a month, and then each chapter is broken down into sections about health, training, socialization, etc. It's very useful and it will be great to be able to reread the book again, month by month, as my puppy grows up. I do wish that it had more (or even some) pictures, but otherwise this book is absolutely excellent
