Shibe Park-Connie Mack Stadium (Images Of Sports)

Synopsis

No ballpark in Philadelphia was more revered than the one at Twenty-first Street and Lehigh Avenue. Originally called Shibe Park and later Connie Mack Stadium, it opened in 1909 as America's first steel-and-concrete stadium. When it closed in 1970, it had earned a special place in the hearts and minds of Philadelphia sports fans. Home of the Athletics for 46 years, the Phillies for 32 and a half seasons, and the Eagles for 18 years, it was also the site of many boxing matches, Negro League baseball games, and college and high school baseball and football games. Over the years, as the area developed, Shibe Park became known for its obstructed views, delicious hot dogs, Sunday curfews, absence of beer, and boobirds. Along with memorable teams and games, the ballpark played host to eight World Series and two All-Star Games.

Customer Reviews

Great for the personal history it represents "if you were there".

This book says it all - The years 47 on were of particular interest since they were of my era. Brings back memories. Thank You

great read on the history of the team and park

Awesome book - excellent transaction

Excellent book!
