Customer Reviews

Short bible stories suitable for kids self reading. Daughter loves reading it. Most stories are few pages and perfect length

This scriptural story of the birth and beginning of the ministry of Jesus is simply told and beautifully illustrated. Fun for adult believers, it can be shared with little ones.

My child loves this, and its something I don't have any qualms about. I like to guard what my child is exposed to.

Great

I downloaded this onto my Kindle so that my daughter and I could read about the true story of Christmas during the holiday. I loved the way it was written, very simply so that a child would be able to understand it.

Just what I was looking for - I wanted to explain to my two children the true story of Christmas, and this was just the ticket. Simply written, without sounding condescending. Recommended.
