Customer Reviews

Dr. Wayne W. Dyer is an internationally renowned author and speaker in the field of self-development. He has written numerous bestselling books and has created a number of audios and videos. He has appeared on thousands of television and radio programs, including The Today Show and Oprah.

I enjoyed the book as it was consistent with other information that I have studied and Dr. Dyer is inspiration to is listners.

Not the best CD but it has some nice quotes and thoughts. The music playing in the background is a bit annoying since it plays the entire time but eventually you stop noticing it.He rambles a bit but that's what makes him so real and part of the reason I like him. It's very genuine.But, \$20 for one cd, in my opinion, is not really worth it.

I cannot get enough of Dr. Dyer he is fantastic!
