My son is 8 and loves his

Good lessons for boys. My son reads it happily. There is a place he can write and do activities..But it's good to sometimes guide them and just enjoy the devo together. I definitely recommend this devo

We really enjoy these. A good addition to daily Bible reading

Must have for boys! Gives the parent cues to work from.

I was so excited to find these books for my three kids, they are just right, short reading, with a hands on or life application activity! Love them

I love Gotta Have God workbooks, so does my 8 year old son, he's done 3 of them and has enjoyed each one so far

The Gotta Have God series for boys is a wonderful tool for instilling the importance of a private devotional time. Our son has used all the books published to date beginning with the age 2-5 books and up through Vol. 2 of the 10-12 years books. These are colorful, educational and Biblically solid. We homeschool and have used these books for boys (as well as the girls' versions) for all four of our children and highly recommend to others who want to provide children with solid devotions.

This is a great Bible study/devotional/lessons for my boys. I have actually incorporated this book into our homeschool program as part our Bible study. Each boy has their own copy where there is a memory verse, short thematic story/lesson , a prayer and a fun activity. Each lesson is short (2 pages), very colorful and we all love these books.
