Cash in On The Airbnb Story and the Sharing Economy The Airbnb story and the sharing economy has created money making opportunities for almost anyone. Founded by Joe Gebbia and Brian Chesky in 2008, Airbnb now has more than half a million listings in over 190 countries. However, with the popularity of Airbnb, there is a lot of competition. That means you must succeed at getting your property in the mind[™]s eye of travelers, or they[™]ll move on to the next one. After your quality photos, your listing title and description must tell and sell. This workbook walks you through a specific way to write your profile, title, and description. Customer Reviews

This is a "MUST READ" reference book for anyone who is considering hosting an Airbnb rental or has one already and wants to build their knowledge base. The beauty of it is it is written by someone who owns and runs an Airbnb rental biz successfully and is a writer of workbooks. She has put together a super useful and easy to understand reference tool. It's full of great advice and resources that anyone can use to learn how to optimize their income from Airbnb rentals. I can't wait to start implementing her ideas. There are so many, I'm not sure which ones I want to start first. Can't recommend it highly enough.

True insider's knowledge!
