Customer Reviews

This is a really valuable and comprehensive book on passive income! Unlike other books, this one provides proven ways of earning passive income such as Kindle Direct Publishing, FBA, Software Creation, Blogging, Dividend Investing, and much more! Each of these strategies are broken into actionable steps and guidelines, so by the end of this book you should be able to pick the one which fits you and start implementing it.

This is the dream. However this book straightens out the misconceptions and gives actual practical

ideas. But this is not a get rich quick guide. Real work has to be done after this book.
