great spanish text.

Good tool to teach grammar and expand with cultural appreciation. The "lesser" importance whets the student's appetite for target language.

Highly recommend by my spanish professor, so I look forward to using it!

Am very happy with this purchase. Great price, great service.

Smooth transaction start to finish. Highly recommend.

Received in great condition

My son uses this book in school. It is very heavy and I thought it would be good to have a copy at

home so he would not have to carry it in his knapsack.

Perfect for my kids
